Subd to Hon Councillor

The Mysore Govt submits for the orders of Govt a requisition from the Swamigalu of Sri Uttaradi Mutt for payment of Rs 15000 towards the expenses of the Sabha and Maha Samaradhane. It is ascertained that exclusive of Rs 45000 invested in Mysore Govt Securities, there is Cash in hand to the extent of Rs 14335.2-8 at the credit of the Mutt.

The Mutt was paid Rs 25000 in 1912-13 for the expenses of the Swamigal's pilgrimage to Benares and the last instalment of Rs 12500 was actually paid only in Feby last. Another application has now been received for Rs 25000 and at this rate the savings including the investments will hardly last 4 or 5 years.

The total income of the Mutt amounts to Rs 1275-6-1-11 out of which fixed charges to the extent of Rs 5027-4-0 have annually to be met, leaving a surplus balance per year of Rs 7728.3-11.

does not however include any charge for management.

From the notes in file no 186 of 1910, it will be seen that the question of utilizing the surplus funds after restitution at least in part has been discussed and a dft. Patrika was addressed to the Swamis proposing the erection of a decent Matt building at Bangalore and the formation of a fund for the encouragement of Sanskrit education. The Swamis reply has not been altogether satisfactory on either point.

Since then the Mysore Regulation has come into force and under Ss 30 & 31 the Govt. would appear to have power to deal with the income of the Mathe under its management but it is doubtful whether these provisions can apply to the present case as the present possession of the properties after Matt by Govt. did not arise under the provisions of the Regulation and none of the circumstances enumerated in S 25 under which the Govt. can take possession, can be said to exist.

It is time that the position of Govt. as regards this Matt should be defined. If the Matt is to have for its

of disposal as regards the surplus funds, it is worthy of consideration whether the Govt: should take all the burden of management. In any case the Govt: must be entitled to charge a percentage for management as in the case of properties under the Court of Wards.

The Swami may be informed that Government cannot ~~act as~~ remain mere Collectors for the Mutha, and remit the money to him without scrutiny of the purposes for which expenditure is incurred; and that as a large sum of 25000 Rs has been recently spent on fully irrigated, for consideration not warranted to spend more than 5000 Rs from the source in the proposed pilgrimage to Pandharpur & that the expenditure with ?
